

How do we stay safe while Remote Learning?

1. We respect each other whilst we are online.
2. What we post is appropriate to be seen by Staff and your peers.
3. Feel free to ask questions about the work, Teams is **not a space for personal chat.**
4. We carry out our lessons in a safe space.
5. If you are worried or anxious, please tell your parent/carer or member of staff.
6. You do not have to use your camera if you do not want to.
